Description

Goal:

To create the UI for the admin **Schedule Management View (Submitted Schedules)**

So that:

Admins are able to **view schedules and take action on them**

Details:

When an admin is on the Schedules page, they should be able to navigate to a schedule by clicking on its status. The first status that a schedule will have after it has been submitted by the parents will be **“Submitted”**

Please Note: All schedule statuses will have a similar layout as the initial submitted schedule. There will just be some adjustments when the admin **takes action and requests/requires changes and the parent resubmits.**

All schedules will start off with the **“Submitted”** status once the **parent has submitted them and will reflect this way on the schedules UI**. Once the admin makes an update to the schedule, it will reflect in the schedule’s status column. The goal of this ticket is to show the initial UI of a submitted schedule once it has been submitted on the parent end.

When the admin clicks on the **“Submitted”** status from the Schedules UI, they should see the **Submitted Schedule UI (please see both references below)**

Schedules UI - Submitted Status: [https://www.figma.com/file/8LI36Xr5VdlvRw3fekAC5d/MTH---Product-Review-\(Erin\)?node-id=53186%3A30036](https://www.figma.com/file/8LI36Xr5VdlvRw3fekAC5d/MTH---Product-Review-(Erin)?node-id=53186%3A30036)

Reset Schedule

Please see the **details of the UI** below with the associated numbers in the reference:

1.Back Chevron

There should be a **black back chevron** shown over a **grey square** in the **top left corner**

2. Title

The **title** of the page should always be **“Schedule”** and should be shown in the **top left corner**

3. Years Dropdown

There should be a **blue classic years dropdown** on the **top right corner of the page**

4. Schedule Status Dropdown

There should be a **schedule status** dropdown that reflects **“Submitted”** right underneath the years dropdown

5. Student Information

The **student information** should be shown in the **top left corner of the page** and should be connected to reflect the same information as the schedule on the parent end

6. Schedule Submitted by Parents

The schedule that will take up the center of the page **should be connected to the schedule that the parent submitted and should reflect the exact same information**

7. Lock Icon

There should be a **lock icon (blue by default)** on the **top right corner of the schedule**

8. “X” Updates Required Sign

There should be an “x” button next to each period that has been selected by parents

9. “Accept” Button

There should be a green “Accept” button shown on the bottom left corner with white text

10. “Save Changes” Button

There should be a grey “Save Changes” button with black text shown next to the accept button

11. “Reset Schedule” Button

There should be a Reset schedule button in blue text in the bottom right corner of the schedule

Parent Story

Parent submits schedule on their end

Admin Story

- Admin logs into InfoCenter
- Admin navigates to Enrollment → Schedules
- Admin clicks on a “Submitted” schedule status from the student’s section
- Admin sees the Submitted Schedule UI

Done Criteria

On the Submitted Schedule UI view:

1. There should be a black back chevron shown over a light grey square in the top left corner

2. The title of the page should always be “Schedule” and should be shown in the top left corner

3. There should be a blue classic years dropdown on the top right corner of the page

4. The student information should be shown in th*e top left corner of the page* and should reflect/be connected to the information on the schedule from the parent end

5. The schedule that will take up the center of the page should be connected to the schedule that the parent submitted and should reflect the exact same information

6. There should be a lock icon (blue by default) on the top right corner of the schedule

7. There should be an “x” button next to each period that has been selected by parents

8. There should be a green “Accept” button shown on the bottom left corner with white text

9. There should be a grey “Save Changes” button with black text shown next to the accept button

10. There should be a Reset schedule button in blue text in the bottom right corner of the schedule
