Goal:

To create the **Main View for the Testing Preference UI** on the parent end

So that:

Parents are able to intuitively select their testing preference

Details:

The testing preference selection will be the **first category** of the Schedule Builder that comes up for parents if they are required to submit their testing preference based on the region

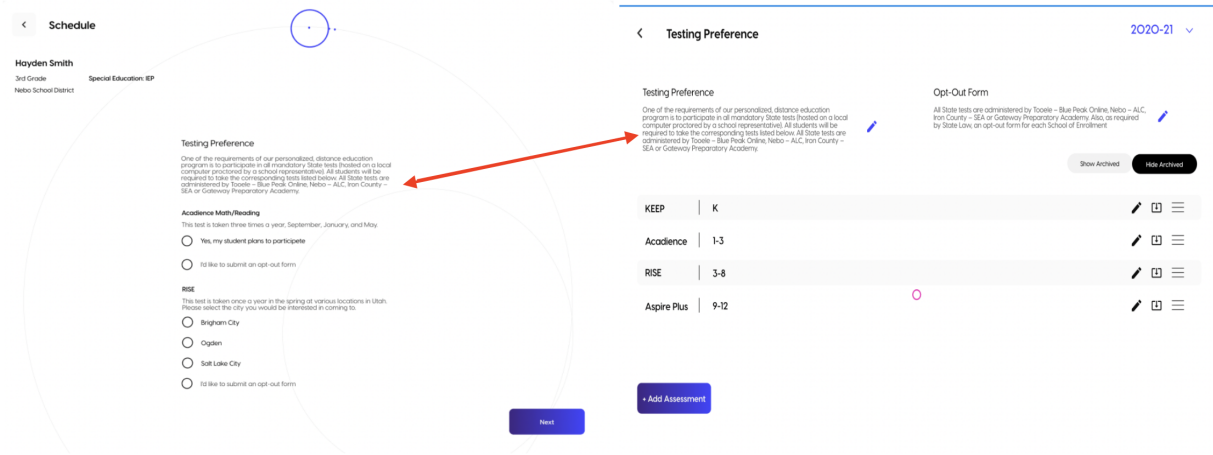

- When a parent sees a **notification to submit**[\[https://mytechhigh.atlassian.net/browse/INFOCTR2-871\]](https://mytechhigh.atlassian.net/browse/INFOCTR2-871) their schedule and clicks on it, the first page they will see is the **main Testing Preference Page (if enabled on the admin end)**

Main Testing Preference UI - Parents: [https://www.figma.com/file/8LI36Xr5VdlvRw3fekAC5d/MTH---Product-Review-\(Erin\)?node-id=59369%3A34659](https://www.figma.com/file/8LI36Xr5VdlvRw3fekAC5d/MTH---Product-Review-(Erin)?node-id=59369%3A34659)

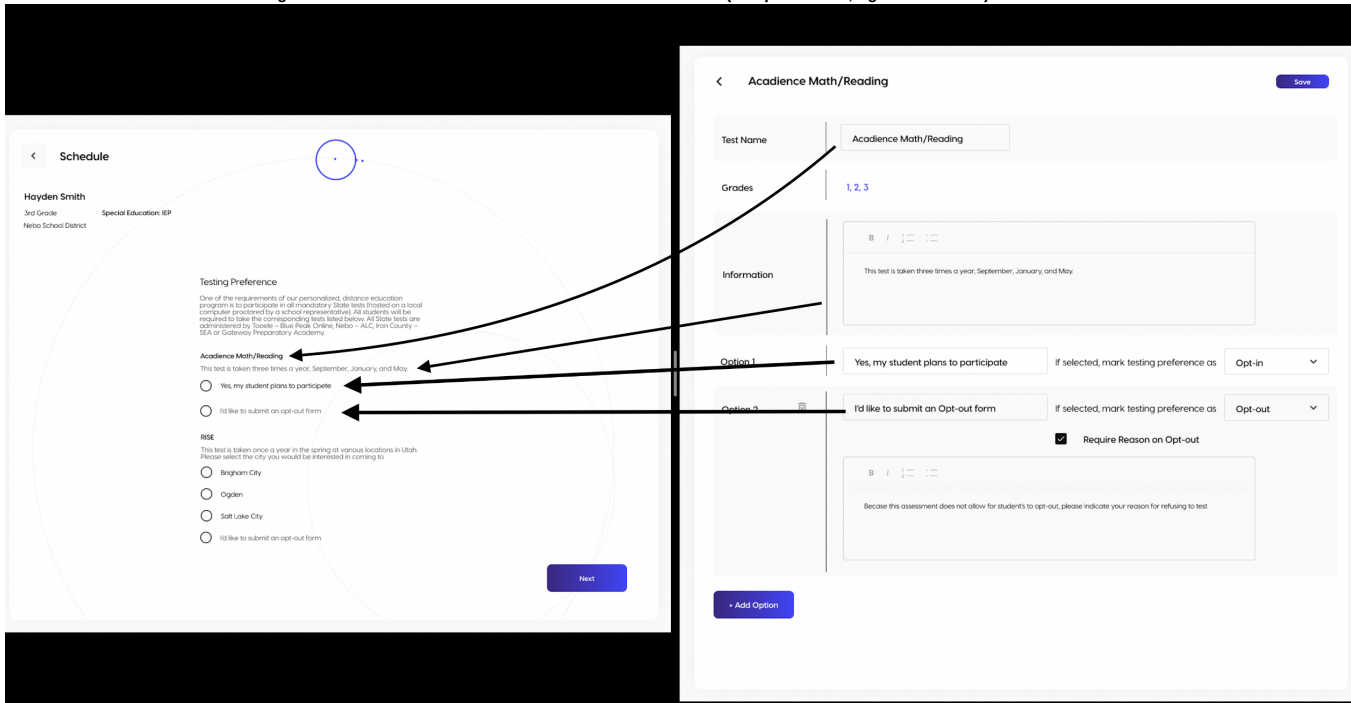

Please Note: All assessment details will be **region/grade specific** and will be filled out on the **admin end** and presented to parents on the testing preference UI when they are building their **schedule**. Please see all additional details below.

Main Testing Preference UI Details (please reference the numbers to the list)

1. **Circle Design**
1. The background of the testing preference UI page should show the classic circles Infocenter design
2. **Back Chevron**
1. There should be a back chevron on the top left corner of the screen
3. **Title**
1. The title of the page should be “**Schedule,**” as the parent will be in the “Schedule Builder” settings
4. **Student Info**
1. Right below the back chevron and the title, the parent should see the **students name, grade level, school district, and their special education status**
1. If the student is not considered special education, the special education status **should not exist**
5. **Testing Preference Details**
1. The testing preference details will **always come directly from the admin side. In the reference below (left: parent side, right: admin side). Please see below:**

2.
6. **Assessment Details**
1. The **assessment details** reflected on this UI on the parent end will consist of: **the assessment title, the assessment information, and the assessment options.**
1. **Please see the arrows below showing how the admin end will connect to the UI. In the reference (left: parent side, right: admin side). Please see below:**

2.
7. **Next Button**
1. There should be a “**Next**” button on the bottom right of the screen that is **blue with white text**

Parent Story

- Parent logs into Infocenter
- Parent sees the notification to submit the schedule
- Parent clicks “**Submit Now**”
- Parent is taken to/sees the **Testing Preference main page UI**

Done Criteria

1. The testing preference main parent UI should be the **first page**[(if enabled)]<https://mytechhigh.atlassian.net/wiki/spaces/I2/pages/125075479/Testing+Preference+-+Parent#Testing-Preference-Flows%3A> that the parent lands on when they click on the “**Submit Now**” schedule notification on the dashboard

2. The **background** of the testing preference UI page should show the **classic circles Infocenter design**

3. There should be a **back chevron on the top left corner of the screen**

4. Right below the back chevron and the title, the parent should see the **students name, grade level, school district, and their special education status**

1. If the student is not considered special education, the special education status **should not exist**

5. The **testing preference details shown on the UI** should be **connected to the admin side and reflect the information the admin had inputted**

6. The **assessment details reflected on the UI** should consist of the **assessment title, the assessment information, and the assessment options (choices)**

1. The assessment details shown on the UI should be **connected to the admin side and reflect the information that the admin had inputted**

7. There should be a “**Next**” **button** on the bottom right of the screen that is **blue with white text**

Comment by [Petya Yankova](#) [06/Sep/22]

Hi ! [Erin Sublette](#)

Quick question for this one -

If the student is not considered special education, should the special education status in the information section exist? OR would it just show "No"

Hayden Smith

Jay Grade

Nellis School District

Special Education IEP

Comment by [Erin Sublette](#) [06/Sep/22]

[Petya Yankova](#) great question! It should not show. 😊 Here is an example - [https://www.figma.com/file/8LI36Xr5VdlvRw3fekAC5d/MTH---Product-Review-\(Erin\)?node-id=71877%3A39135](https://www.figma.com/file/8LI36Xr5VdlvRw3fekAC5d/MTH---Product-Review-(Erin)?node-id=71877%3A39135)

Awesome! Thank you so much [Erin Sublette](#)

Comment by [Petya Yankova](#) [07/Sep/22]

Hi ! [Erin Sublette](#) This one should be all set! Sending over 😊

Comment by [Justin Viola](#) [22/Sep/22]

Hi [Naira Navarro](#) this is ready for review.

Comment by [Naira Navarro](#) [23/Sep/22]

Hi [Justin Viola](#), please see below for the result of the testing.

1. The testing preference main parent UI should be the **first page**[(if enabled)]<https://mytechhigh.atlassian.net/wiki/spaces/I2/pages/125075479/Testing+Preference+-+Parent#Testing-Preference-Flows%3A> that the parent lands on when they click on the “**Submit Now**” schedule notification on the dashboard <https://somup.com/c3Q0n0UGqm> **Passed**

2. The **background** of the testing preference UI page should show the **classic circles Infocenter design** <https://somup.com/c3Q0n0UGqm> **Passed**

3. There should be a **back chevron on the top left corner of the screen** <https://somup.com/c3Q0n0UGqm> **Passed**

4. Right below the back chevron and the title, the parent should see the **students name, grade level, school district, and their special education status**

1. If the student is not considered special education, the special education status **should not exist** <https://somup.com/c3Q0nZUGqH>**Failed** *Student is under IEP based on its profile on the Admin side*

5. The **testing preference details shown on the UI** should be **connected to the admin side and reflect the information the admin had inputted** <https://somup.com/c3Q0naUGYZ> **Passed**

6. The **assessment details reflected on the UI** should consist of the **assessment title, the assessment information, and the assessment options (choices)** <https://somup.com/c3Q0nzUGYw> **Passed**

1. The assessment details shown on the UI should be **connected to the admin side and reflect the information that the admin had inputted**

7. There should be a “**Next**” **button** on the bottom right of the screen that is **blue with white text** <https://prnt.sc/Va4JaqzOH4xy> **Passed**
